### **Lord of the Dance**

I danced in the morning then the world had begun  
And I danced in the moon and the stars and the sun  
And I came down from Heaven and I danced on the Earth  
In Bethlehem I had my Birth

*Dance then, wherever you may be  
I am the lord of the dance, said he  
And I'll lead you all wherever you may be  
And I'll lead you all in the dance, said he*

I danced for the scribe and the Pharisee  
But they would not dance and they wouldn't follow me  
I danced for the fishermen, for James and John  
They came with me and the dance went on

### **CHORUS**

I danced on the sabbath and I cured the lame  
The Holy people said it was a shame  
They whipped and they stripped and they hung me on high  
And left me there on a cross to die

### **CHORUS**

I danced on a Friday when the sky turned black  
It's hard to dance with the devil on your back  
They buried my body and they thought I'd gone  
But I am the dance and I still go on
