

THE FINER POINTS

Dress

We would appreciate typical wedding attire, however for those not used to the chilly Highland climate, we recommend you bring comfortable footwear and a warm coat for later in the evening.

RECEPTION

Please join us for dinner, drinks and dancing after the ceremony which will also be held at Bogbain Farm. A buffet style meal will be the order of the night including options for vegetarians and vegans and gluten free. There is a bar at the venue also, serving some of our favorite beverages, alcohol free options will also be available.

DIRECTIONS

Luckily, Bogbain Farm is only a 10 minute drive from Inverness city centre. The easiest route is via the A9 on the way to Daviott.

ACCOMODATION

In high season, Inverness is a pretty busy tourist town, fortunetly due to the wedding date, it should be very easy to book accomodation. If you would like something close by the venue, Macdonald Drumossie is right by Bogbain farm. But if you're feeling adventurous, Daviott luxury pods offer classy glamping.

GIFTS

Please do not feel obliged to buy us a gift, all that we are expecting is you to share our special day. If however you would like to give something, a contribution towards our honeymoon would be greatly appreciated.

Thank you
