## **HYMN**

One more step along the world we go,  
One more step along the world we go,  
From the old things to the new  
Keep us travelling along with You.

*And it's from the old we travel to the new,  
Keep us travelling along with You.*

Round the corners of the world we turn,  
More and more about the world we learn.  
And the new things that we see  
You'll be looking at along with me.  
*And it's from the old ...*

As we travel through the bad and good  
Keep us travelling the way we should.  
Where we see no way to go  
You'll be telling us the way, we know.  
*And it's from the old ...*

Give us courage when the world is rough,  
Keep us loving though the world is tough.  
Leap and sing in all we do,  
Keep us travelling along with You.  
*And it's from the old ...*
