

The background of the invitation is decorated with various watercolor floral illustrations. In the top left, there are sprigs of green leaves and small red buds. To the right, a large red tulip-like flower is prominent. The bottom left features a red flower with a black center and a yellow leaf. The bottom center has a large, detailed red rose. The bottom right shows a dark red leaf and a yellow leaf. The overall style is soft and artistic, with a focus on natural elements.
