AT 3PM

ST GEORGE'S CHURCH, CAM

ENTRY OF THE BRIDE

'Stubborn Love' by The Lumineers

Arranged and played by our brother-in-law, Matt

WELCOME & INTRODUCTION

HYMN

'In Christ Alone'

In Christ alone my hope is found
He is my light, my strength, my song
This cornerstone, this solid ground
Firm through the fiercest drought and storm
What heights of love, what depths of peace
When fears are stilled, when strivings cease
My comforter, my all in all
Here in the love of Christ I stand.

There in the ground His body lay
Light of the world by darkness slain
Then bursting forth in glorious day
Up from the grave He rose again
And as He stands in victory
Sin's curse has lost its grip on me
For I am His and He is mine
Bought with the precious blood of Christ.

THANK YOU

for joining us on our special day

the 1990s, the number of people in the UK who are employed in the public sector has increased from 10.5 million to 12.5 million, and the number of people in the public sector who are employed in health care has increased from 2.5 million to 3.5 million (Department of Health 2000).

There are a number of reasons for the increase in the number of people employed in the public sector. One reason is that the public sector has become a major employer in the UK. Another reason is that the public sector has become a major employer in the health care sector. A third reason is that the public sector has become a major employer in the social care sector.

The increase in the number of people employed in the public sector has led to a number of changes in the way that the public sector is organized. One change is that the public sector has become more decentralized. Another change is that the public sector has become more customer-oriented. A third change is that the public sector has become more performance-oriented.

The increase in the number of people employed in the public sector has also led to a number of changes in the way that the public sector is funded. One change is that the public sector has become more dependent on government funding. Another change is that the public sector has become more dependent on private funding. A third change is that the public sector has become more dependent on user fees.

The increase in the number of people employed in the public sector has also led to a number of changes in the way that the public sector is managed. One change is that the public sector has become more professionalized. Another change is that the public sector has become more unionized. A third change is that the public sector has become more corporatized.

The increase in the number of people employed in the public sector has also led to a number of changes in the way that the public sector is regulated. One change is that the public sector has become more subject to government regulation. Another change is that the public sector has become more subject to private regulation. A third change is that the public sector has become more subject to user regulation.

The increase in the number of people employed in the public sector has also led to a number of changes in the way that the public sector is evaluated. One change is that the public sector has become more subject to government evaluation. Another change is that the public sector has become more subject to private evaluation. A third change is that the public sector has become more subject to user evaluation.

The increase in the number of people employed in the public sector has also led to a number of changes in the way that the public sector is perceived. One change is that the public sector has become more respected. Another change is that the public sector has become more respected. A third change is that the public sector has become more respected.
