DETAILS

LITTLE ONES

We are sorry we cannot accommodate children at our wedding. We hope the advanced notice will mean you are able to join us and enjoy a child-free night with friends.

GIFTS

Having our friends and family with us on our special day is the best gift we could ask for! Please do not feel obliged to get us a gift, but if you really want to treat us, we would be very grateful for money towards the honeymoon.

ACCOMMODATION

For those guests travelling to celebrate with us we can recommend Chester as a lovely place for a weekend away, there are lots of hotels and B&Bs to choose from. If you are travelling we have enclosed a little list of places we love to eat and drink in town, and things to do locally.

COACH

We are planning to hire a coach to take you from Chester to the venue, and then back again. When you RSVP please let us know if you would like a seat on the coach so we can go ahead and book for the correct number of people.

RSVP

Please RSVP as soon as possible to **devandrobkelly@hotmail.com** with whether you can make it, and also if you would like a seat on the coach.
