## GIFTS

We haven't got a traditional wedding list, the reasons we'll explain.

It's to save you all the hassle as shopping is a pain.

We thought we'd ask you all for something else instead,

A small contribution towards a holiday in the Med.

We've been together for a few years now and have a lovely home.

There are not too many items that we don't already own.

So please don't be offended and please don't think we're brash.

If your thoughts were on a present, we'd much prefer honeymoon cash.

The choice is really up to you, and we would like to say,

We hope you come and enjoy yourselves on this our special day
