You Raise Me Up

*Right now I'm in a different place  
And though we seem apart  
I'm closer than I ever was,  
I'm there inside your heart.*

*I'm with you when you greet each day  
And while the sun shines bright  
I'm there to share the sunsets, too  
I'm with you every night.*

*I'm with you when the times are good  
To share a laugh or two,  
And if a tear should start to fall  
I'll still be there for you.*

*And when that day arrives  
That we no longer are apart,  
I'll smile and hold you close to me,  
Forever in my heart.*
