Please inform us if you have any dietary requirements.

We don't have a list of pots and pans,  
just hopes and dreams and lots of plans.  
So if a gift is your intention,  
then we thought that we would mention.  
We'd love a few pennies to put together,  
to save for something that we will treasure.  
Just remember what means the most,  
is that you are with us to raise a toast.
