WELCOME & INTRODUCTION

Poem by Josie  
To the one I made a nanny,  
All the special moments we shared,  
All the times you flicked the kettle,  
Every time you plait my hair.  
Your reassurance kept me stable,  
Your pureness seeped into the ground you walked on.  
I love you nanny,  
I will always be your little Angel.

Poem by Miley  
Nanny Soup  
This is a message to my Nanny Soup,  
Our Angel up above,  
The one who was always there for us and showered us with love.  
When tomorrow starts without you nanny,  
I will shed a silent tear,  
But when I see that little white butterfly ,  
I will know that you are near.  
When I'm feeling sad and I want you here with me,  
I will remember all our hugs and chats as I drink my cup of tea.

Poem by Lianne

If being loved meant we could keep you here for ever,  
Then we would spend eternity, all of us together.  
Thank you for our memories and the comfort they will bring,  
Like the way you loved your garden, and up-cycled everything.  
Caravan holidays to Devon, Tenby and Trecco Bay,  
Collecting our sun tokens and we were on our way.  
Whenever we think of Benidorm, we will always think of you,  
Chilling out in tapas bars, with your Malibu .  
Everything around us, we will remember you each day,  
From your cheeky little smile, and your funny little ways.  
Your naughty little sayings like “you know what” “O’Riley”,  
And the way you loved your grandkids, Callum, Josie, Frankie and  
Miley.

We will be forever grateful for the most amazing wife, mam, sister  
and nanny,  
From your forever devoted Frank, Lianne, Janine, David and Family.

The Lords Prayer  
Our Father, who art in heaven,  
Hallowed be thy name,  
Thy kingdom come; thy will be done;  
On earth as it is in heaven.  
Give us this day, our daily bread.  
And forgive us our trespasses, as we forgive those who trespass  
against us.  
And lead us not into temptation,  
But deliver us from evil  
Amen.
