Morpheus' Monologue from *The Matrix*:

Let me tell you why you are here. You are here because you have the gift. We are trained in this world to accept only what is rational and logical. Have you ever wondered why? The Matrix is everywhere, it's all around us, here even in this room. You can see it out your window, or on your television. It is the world that has been pulled over your eyes. You take the blue pill and the story ends. You wake in your bed and you believe whatever you want to believe. You take the red pill and you stay in Wonderland and I show you how deep the rabbit-hole goes. Follow me.

Music for Reflection: Asleep - The Smiths

Eulogy,
written by Bailey (Son)

Tributes and Memories from Friends and Family

Closing Words

Exit Music: Horny - Mousse T. and Hot 'N' Juicy
