WELCOME & INTRODUCTION

When Tomorrow starts without me

David M. Romano

*When tomorrow starts without me and I'm not here to see
If the sun should rise and find your eyes are filled with tears for me*

*I wish so much you wouldn't cry the way you did today
While thinking of the many things we didn't get to say*

*I know how much you love me as much as I Love you
And each time you think of me I know you'll miss me too*

*But when tomorrow starts without me please try and understand
That an angel came and called my name and took me by the hand*

*And said my place was ready in Heaven far above
And that I'd have to leave behind all those I dearly love*

*But when I walked through Heaven's gate I felt so much at home
When God looked down and smiled at me from His great golden throne*

*He said this is eternity and all I promised you
Today your life on earth is past but here it starts anew*

*I promise no tomorrow for today will always last
And since each day's the same way there's no longing for the past*

*So when tomorrow starts without me don't think we're far apart
For every time you think of me I'm right here in your heart.*

Footprints in the Sand

Mary Stevenson

*One night I dreamed a dream.
As I was walking along the beach with my Lord.
Across the dark sky flashed scenes from my life.
For each scene, I noticed two sets of footprints in the sand, One belonging to me and
one to my Lord.*

*After the last scene of my life flashed before me.
I looked back at the footprints in the sand .
I noticed that at many times along the path of my life,
especially at the lowest and saddest times,
there was only one set of footprints.*

*This troubled me, so I asked the Lord about it.
"Lord, you said once I decided to follow you, you'd walk with me all the way.
But I noticed that during the saddest and most troublesome times of my life,
there was only one set of footprints.
I dont understand why, when I needed You the most, You would leave me.*

*He whispered,
"My precious child, I love you and will never leave you, Never, ever, during your trials
and testings.
When you saw only one set of footprints,
it was then that I carried you."*
