Carter's Poem

To My Special Grandad

They say there is a reason,
and they say that time will heal,
but neither time nor reason,
will change the way I feel.

A thousand words won't bring you back,
I know because I have tried,
neither will a thousand tears,
I know because I have cried.

So let me tell you something,
so there won't be no doubt,
you're so wonderful to think of,
but so hard to be without.
