*Please sow this seeded paper on soil
that's slightly compressed, not hard
packed. Add 1/8 inch of soil on top
& give it a good drink of water, in a
sunny spot. It will grow wildflowers in
7-10 days in remembrance of Keith's
love for nature and the outdoors*

With Thanks to the Celebrant James Cooper

A Summer Island Wedding

*A fantastic group
Came from afar
In search of a wedding
On the island Hear
To witness the marriage
Of 2 travelling birds
In a special ceremony
Beyond words*

*Sea and breeze
Boats and fish
Beaches and swimming
What more could you wish
A beautiful bride
An emotional groom
A few tearful eyes
In that room*

*Croatian music
A traditional band
Entrance to Zori
And LaLaLand
Bridesmaids so beautiful
And all guests too
We were all so happy
To see the love of these two*

*OMG!
What a dress
Pippa Middleton?
No such finesse
Lavender and olive
Hear has to offer
Such friendly people
Nothing a bother*

*So now they step out
To Kenya and Seychelle
What their future will hold
No one can tell
One thing is for sure
Their love will hold strong
With their commitment
They cannot go wrong*

*We love you Hayley
We love you Will
Keep going forward
Never stand still*

An Autumnal Wedding

*A day for love and laughter
A day of fun
Excited
For all the joys to come*

*The colours of Autumn
The smell of the leaves
The glorious trees
And no rain nor breeze*

*A romantic castle
Shouts of joy and laughter
This couple will live
"Happily Ever After"*

*The friends and the families
Who came to enjoy
Helped by the best staff
You could ever employ*

*The twinkling tree
The sparkling sparklers
Whoops of joy
Warm, friendly laughter*

*Stunning, adorable bridesmaids
Led by "The Hayley"
Friends for life
Facebook daily*

*They now share their girl
They now share their boy
Proud happy parents
Tears of Joy*

*But best of all
It all went to plan
For the smashing couple
Vanessa and Dan*
