Julie and her family would like to thank you all for your kind words and all the support you have given us at this very sad time and for your presence here today.

As many of you will know, Joyce and Bill had a real love of travelling and explored the world together throughout their marriage. Joyce loved meeting people from different cultures and so we are raising money in her memory for Save the Children as she strongly believed that all children had a right to education and to a safe environment.

Donations in loving memory of Joyce can be collected today or online at

Thank you so much for any support you can give to this fantastic cause.
