***Hymn: One More Step Along the World I Go***

One more step along the world I go  
One more step along the world I go  
From the old things to the new  
Keep me traveling along with you  
And it's from the old I travel to the new  
Keep me traveling along with you

'Round the corners of the world I turn  
More and more about the world I learn  
And the new things that I see  
You'll be looking at along with me  
And it's from the old I travel to the new  
Keep me traveling along with you

As I travel through the bad and good  
Keep me traveling the way I should  
Where I see no way to go  
You'll be telling me the way, I know  
And it's from the old I travel to the new  
Keep me traveling along with you

Give me courage when the world is rough  
Keep me loving though the world is tough  
Leap and sing in all I do  
Keep me traveling along with you  
And it's from the old I travel to the new  
Keep me traveling along with you

You are older than the world can be  
You are younger than the life in me  
Ever old and ever new  
Keep me traveling along with you  
And it's from the old I travel to the new  
Keep me traveling along with you
