She Is Gone - Read by Nathan

*You can shed tears that she is gone
or you can smile because she has lived.*

*You can close your eyes and pray that she'll come back
or you can open your eyes and see all she's left.*

*Your heart can be empty because you can't see her
or you can be full of the love you shared.*

*You can turn your back on tomorrow and live for yesterday
or you can be happy for tomorrow because of yesterday.*

*You can remember her and only that she's gone
or you can cherish her memory and let it live on.*

*You can cry and close your mind, be empty and turn your back,
or you can do what she'd want: smile: open your eyes and go on.*

When Tomorrow Starts Without Me - Read by Sarah

***When tomorrow starts without me,
And I am not there to see;
If the sun should rise and find your eyes
All filled with tears for me;
I know how much you love me,
As much as I love you,
And each time that you think of me,
I know you'll miss me too.
So when tomorrow starts without me,
Don't think we're far apart,
For every time you think of me,
I'm right here in your heart.***
