Because I Love You So

chosen by Dawn

Time will not dim the face I love,
The voice I heard each day,
The many things you did for me,
In your own special way,
All my life I'll miss you,
As the years come and go,
But in my heart I'll keep you,
Because I love you so.

We Thought Of You Today

chosen by Deb and Nick

We thought of you today,
But that is nothing new.
We thought of you yesterday,
And will tomorrow too.
We think of you in silence
And make no outward show,
For what it meant to lose you,
Only those who love you know
Remembering is easy,
We do it every day.
It's the heartache of losing you
That will never go away.
