Thank You

To Our Family and Friends

We would like to thank our friends and family for sharing in our joy and happiness on this day. We are thankful for each of you who have travelled near and far to celebrate with us today.

Thank you to our Wedding Party for being such an integral part of this day and our lives. We also thank Dan and Dan for not only being great siblings but our best friends. You have made our lives so much more interesting and we can't wait to make more memories together.

Lastly, we thank our amazing parents, who brought us to where we are today. Your examples of faith, hope, love, and respect will forever guide us in the way we appreciate one another. We could never thank you enough for all of your unconditional love, guidance, and support.
