A Message From Chris and family.

Thankyou for all being here today to help us remember and celebrate
the life of "Jif."

He was a valued family member and a great friend to many,
and would greatly appreciate your support today.

This friendship has also been reflected in the immense generosity of
the "just giving page". This allowed us all to give Chris todays send
off.

The selflessness shown and the support given to the family from
friends and wider family over the last few weeks would make Chris
very proud.

Thankyou all.

A special Thankyou to all of you who have braved the weather and brought your motor bike and escorted Chris on his final journey as he would have loved.
