For Unc

Although our worlds are different now, is that just what it
seems?

For when I see you when I close my eyes,
because your always in my
dreams

I know your up in heaven, and looking down on me, and when i
look

up at the stars, I know thats where you'll be
Even though I miss you, your not far away

Because your in my heart and I know your there to stay
Our souls are full of memories that we will treasure everyday
Especially the time when my mum used to tell me stories of when
you used to babysit and they used to stand on the back of the
couch

to make sure you couldn't reach or the time you got uncle Lee a
bell

for his new flat

I'm sorry I couldn't help but laugh

Our time on earth is spcial, but it's only the start
So please keep watching over us as we are not so far apart

Someday the time will come
Where I do nont feel this pain
The day is when heaven calls
And we will meet again
