Golden Life

*As I grow old
I see education is gold
Read, write, add
Regardless, lass or lad
Study whole life long
Keep control, be strong*

*As I grow old
I see the earth is gold
Grow, everything grow
Enjoy the food you sow
Mother Nature provides
She adorns the countryside*

*As I grow old
I see life is gold
Tongue sweet as honey
Value love over money
Respect one another
Appreciate children and mother*
