Reading

*Think of me as one at rest,
for me you should not weep
I have no pain no troubled thoughts
for I am just asleep
The living thinking me that was,
is now forever still
And life goes on without me now,
as time forever will.*

*If your heart is heavy now
because i've gone away
Dwell not long upon it friend
For none of us can stay*

*Those of you who liked me,
I sincerely thank you all
And those of you who loved me,
I thank you most of all.*

*And in my fleeting lifespan,
as time went rushing by
I found some time to hesitate,
to laugh, to love, to cry*

*Matters it now if time began
If time will ever cease?
I was here, I used it all,
and now i am at peace*
