Canon in D Major - J Pachelbel

WELCOME

Opening Prayer

HYMN- All Things Bright and Beautiful

*All things bright and beautiful
All creatures great and small
All things wise and wonderful
'Twas God that made them all*

Each little flower that opens
Each little bird that sings
He made their glowing colors
And made their tiny wings

The purple headed mountains
The rivers running by
The sunset and the morning
That brightens up the sky

The cold wind in the winter
The pleasant summer sun
The ripe fruits in the garden
He made them every one

He gave us eyes to see them
And lips that we might tell
How great is the Almighty
Who has made all things well

I danced on the Sabbath
And I cured the lame;
The holy people
Said it was a shame.
They whipped and they stripped
And they hung me on high,
And they left me there
On a Cross to die.

I danced on a Friday
When the sky turned black –
It's hard to dance
With the devil on your back.
They buried my body
And they thought I'd gone,
But I am the Dance,
And I still go on.

They cut me down
And I leapt up high;
I am the life
That'll never, never die;
I'll live in you
If you'll live in me –
I am the Lord
Of the Dance, said he.
