Never Say Goodbye - Author Unknown

There can be no goodbyes for us  
It'd be too painful, dear  
Our connection still lives on,  
Although you're far from here

I miss the times that we once had,  
But one day, once again  
I'll hold you close and laugh with you  
I just wish I knew when

Each moment 'til that day arrives,  
Until my time is through  
I'll miss you more than words can say,  
And always think of you

I'll look for you among the stars,  
And each dawn's pastel sky,  
And whisper words of love to you,  
But never say goodbye.

### *Poem*

We'll always remember that special smile,  
that caring heart,  
that warm embrace you always gave us,  
You being there for Mum and us, through good and  
bad times, no matter what,  
We'll always remember you Dad because they'll never  
be another one to replace you in our hearts,  
and the love we will always have for you.
