Gifts

We know it's traditional to write a list
But in this case there is a slight twist
Our home is complete with the usual stuff
And the things that we have are good enough
Our dream is to honeymoon in a foreign land
And walk along the beach hand in hand
We hope you don't think of us as being rude
And that our request is not misconstrued
But a contribution to our honeymoon pot
Would be appreciated such a lot
But the most important thing to say
Is that you are there to celebrate our day!
