***We sure will miss you Nanny,
Things just won't be the same,
The sweets you'd secretly pass to us,
Or when you said you'd forgot our names.***

***We already miss you Nanny,
Though it has not been that long,
But even though you've gone away,
We'll still sing your favourite song.***

***We'll forever miss you Nanny,
There will never be another,
You looked after us with all your heart,
Both me and my older sister Chloe.***

***Oh I wish you were here Nanny,
But I know that just can't be,
So we'll give thanks for having you around,
Making things go happily.***
