

I danced on the Sabbath  
And I cured the lame;  
The holy people  
Said it was a shame.  
They whipped and they stripped  
And they hung me on high,  
And they left me there  
On a Cross to die.

Chorus

I danced on a Friday  
When the sky turned black –  
It's hard to dance  
With the devil on your back.  
They buried my body  
And they thought I'd gone,  
But I am the Dance,  
And I still go on.

Chorus

They cut me down  
And I leapt up high;  
I am the life  
That'll never, never die;  
I'll live in you  
If you'll live in me –  
I am the Lord  
Of the Dance, said he.

Chorus

#### **THE LORDS PRAYER**

Our Father, who art in heaven,  
hallowed be thy name;  
thy kingdom come;  
thy will be done;  
on earth as it is in heaven.  
Give us this day our daily bread.  
And forgive us our trespasses,  
as we forgive those who trespass against us.  
And lead us not into temptation;  
but deliver us from evil.  
For thine is the kingdom,  
the power and the glory,  
for ever and ever.  
Amen.

#### **ONE MORE STEP ALONG THE WORLD I GO**

One more step along the world I go.  
One more step along the world I go.  
From the old things to the new  
keep me traveling along with you.  
And it's from the old I travel to the new.  
Keep me traveling along with you.

Round the corners of the world I turn.  
More and more about the world I learn.  
All the new things that I see  
you'll be looking at along with me.  
And it's from the old I travel to the new.  
Keep me traveling along with you.

As I travel through the bad and good  
keep me traveling the way I should.  
Where I see no way to go,  
you'll be telling me the way, I know.  
And it's from the old I travel to the new.  
Keep me traveling along with you.

Give me courage when the world is rough.  
Keep me loving though the world is tough.  
Leap and sing in all I do.  
Keep me traveling along with you.  
And it's from the old I travel to the new.  
Keep me traveling along with you.

You are older than the world can be.  
You are younger than the life in me.  
Ever old and ever new,  
keep me traveling along with you.  
And it's from the old I travel to the new.  
Keep me traveling along with you.
