*WELCOME & INTRODUCTION*

*She is gone*

David Harkins

You can shed tears that she is gone  
Or you can smile because she has lived

You can close your eyes and pray that she will come back  
Or you can open your eyes and see all that she has left

Your heart can be empty because you can't see her  
Or you can be full of the love that you shared

You can turn your back on tomorrow and live yesterday  
Or you can be happy for tomorrow because of yesterday

You can remember her and only that she is gone  
Or you can cherish her memory and let it live on

You can cry and close your mind. be empty and turn your back  
Or you can do what she would want: smile, open your eyes. love and  
go on.

Footprints -Mary Stevenson

One night I dreamed I was walking  
Along the beach with the Lord,  
Many scenes from my life flashed across the sky.  
In each scene I noticed footprints in the sand.  
Sometimes there were two sets of footprints.  
Other times there was only one.  
This bothered me because I noticed  
During the low periods of my life when I was  
Suffering from anguish, sorrow or defeat,  
I could see only one set of footprints.  
So I said to the Lord. "You promised me,  
Lord. that if I followed you.  
You would walk with me always.  
But I noticed during the most trying periods  
Of my life there has only been  
One set of prints in the sand.  
Why, when I needed you most.  
Have you not been there for me?  
The Lord replied.  
"The times when you have seen only one set of footprints  
It was then that I carried you.
