POEM

(From the Boys)

*Today we say goodbye to you,
Our dad, our hero, kind and true,
You were the one who showed us the way,
And gave us strength each and every day.*

*You taught us to be brave and strong,
To never give up, to carry on,
You showed us how to love and care,
And to always be there when others despair.*

*Your smile could light up any room,
And your laughter chased away the gloom,
You were the one who made us proud,
And your memory will forever be endowed.*

*We'll miss your voice,
And all the moments that made life worthwhile,
But we know that you'll be watching over us,
Guiding us through life, without any fuss.*

*So farewell, our dear dad, rest in peace,
Your love and memories will never cease,
We'll keep you close, in our hearts and minds,
And cherish forever, the love that binds.*

(From Vicky)

*A few words from the heart to my brother and my friend
You have left an empty space which can never be replaced.
But in my heart, you will stay until we meet again.
I will miss you, your little sister, Vicky.*
