Sussex By The Sea

Appreciation

Jonathan, Martin and family would like to thank you all for your support and kind words during this time of sadness.

We invite you to stay with us for refreshments and a chance to share personal memories of John after the service.

Donations

As many of you know, a number of years ago John had treatment for prostate cancer at the Sussex Cancer Centre in Brighton. Having made a full recovery, he gave his support to Prostate Cancer UK.

If you wish to make a donation in his name please do so directly with the charity.

Many thanks.
