FAMILY TRIBUTES

Tribute from Lillie-Mae

*In loving memory of my Nanny, my Rose,
When I found out the sad news about you,
my heart shattered at the thought of losing the best nanny ever.*

*I will never forget all of our lovely memories together,
and how big our connection was between us.*

I also hope you will always look down on me as I get older.

*Love you for infinity.
From your only granddaughter
Lillie-Mae xxx*

Tribute from Jackie

*I missed you today but that's nothing new
I missed you a million times yesterday too
I picked up my phone to tell you the news
then realised again I can't text it to you.*

*I saw your bright smile at least twenty times
and then I remember it's all in my mind.
I drive without presence, the world feels surreal
and on comes your song and this doesn't seem real.*

*I missed you today but I miss you a lot.
It's helpful to miss you, it's all that I've got.
I wish I could pull you down here for a while
I fear I'll forget the shape of your smile.*

*I miss you today and I'll miss you tomorrow.
There seems to be no coming end to this sorrow.
I try to go on as I know that you care;
I know that you're willing me on from up there.*

*I miss you today but I'm trying to find
a way to move on but not leave you behind;
a way to forge on with the love that we had;
a way to recall you and simply feel glad.*

Tribute from Colin

*It's so hard standing here reading this about you,
but no one could have loved each other more than me and you.*

*We never had a cross word like some couples do,
we just got on with it, just me and you.*

*Our lives were full of adventure together, that was so true,
we had some fantastic times I remember, just me and you.*

*Our two girls were a blessing and made our dreams come true,
I'm glad you're at peace now, but it will always be me and you.*

*I find comfort that you're at rest now, suffering no more,
and we'll be together again, that I am sure.*

*I met you when we were young and we had a fantastic life,
Until we meet again my love, my soulmate, my wife.*
