Memories of Dad

*We do not need a special day to bring you to our minds.
The days we do not think of you are very hard to find.*

*Each morning when we awake we know that you are gone.
And no one knows the heartache as we try to carry on.*

*Our hearts still ache with sadness and secret tears still flow.
What it meant to lose you no one will ever know.*

*Our thoughts are always with you, your place no one can fill.
In life we loved you dearly; in death we love you still.*

*There will always be a heartache, and often a silent tear.
But always a precious memory of the days when you were here.*

*If tears would make a staircase, and heartaches make a lane,
We'd walk the path to heaven and bring you home again.*

*We hold you close within our hearts; and there you will remain,
To walk with us throughout our lives until we meet again.*

*Our family chain is broken now, and nothing seems the same,
But as God calls us one by one, the chain will link again.*
