POEM
Helen Louise Lewis

*You were simply everything,
Grandmother, Daughter, Mum,
Instrumental in our lives,
In what we have become.*

*It's difficult to see the void,
Where once you would have stood,
But the gift of love you gave us,
filled our hearts with only good.*

*And though you're gone, not to return,
Can we can really be that sad?
For all the love and joy you brought to us,
We were blessed and so should all be glad.*

*So we will never truly part,
We will always be together,
And the love and memories we've made,
Will last with us forever.*

ALL THINGS BRIGHT AND BEAUTIFUL

Cecil Frances Alexander

*All things bright and beautiful
All creatures great and small
All things wise and wonderful
The Lord God made them all*

*Each little flow'r that opens
Each little bird that sings
He made their glowing colours
He made their tiny wings*

*All things bright and beautiful
All creatures great and small
All things wise and wonderful
The Lord God made them all*

*He gave us eyes to see them
And lips that we might tell
How great is God almighty
Who has made all things well*

*All things bright and beautiful
All creatures great and small
All things wise and wonderful
The Lord God made them all*

PRAYER- WE HOLD YOU CLOSE

Dawn Traer

*We hold you close within our hearts and there you shall remain,
to walk with us throughout our lives until we meet again.
So rest in peace dear loved one and thanks for all you've done.
We pray that God has given you the crown you've truly won.*

Thank you, blessing and farewell
