*Time to say goodbye  
To countries I never  
Saw and shared with you  
Now, yes, I shall see them  
I'll go with you  
Go on ships across seas  
Which, I know,  
No, no, don't exist anymore  
It's time to say goodbye.*

*When I am alone I sit and dream  
And when I dream the words are missing  
Yes I know that in a room so full of light  
That all the light is missing  
But I don't see you with me, with me  
Close up the windows, bring the sun to my room  
Through the door you've opened  
Close inside of me the light you see  
That you met in the darkness  
Time to say goodbye*

*Horizons are never far  
Would I have to find them alone  
Without true light of my own with you  
I will go on ships over seas  
That I now know  
No, they don't exist anymore  
It's time to say goodbye*

*'Time to Say Goodbye' by Andrea Bocelli*

*Oh as I was young and easy in the mercy of his means,  
Time held me green and dying  
Though I sang in my chains like the sea.*

*Fern Hill, Dylan Thomas*
