

Nick & Abi's Wedding

29.7.23

THE FINER POINTS

TRAVEL

The wedding finishes at 12pm. Please call a Jersey taxi company and book a taxi to and from the wedding ASAP as there are a limited amount of taxis on the island. The wedding is in the countryside and you will not be able to order taxis late at night. The venue is next to St Michael's Preparatory School; we have full use of this car park for anyone driving or use this location if the taxi is unsure of the venue location (there will be signs up). La Ferriere Wedding Venue is easier to find on Google maps rather than iPhone maps.

GIFTS

Whilst it's enough of a present that you are coming to our big day, if you'd like to give us a gift then a donation towards our honeymoon would be much appreciated.

WEDDING FOOD

A polite reminder to let us know about any dietary requirements ASAP. On the big day there will be canapes served from 2pm and the wedding breakfast at 4pm, so please make sure you eat beforehand.

We cannot wait to celebrate with you all x
