Poem: One at Rest

By AJ Stanley

Think of me as one at rest,
for me you should not weep
I have no pain no troubled thoughts
for I am just asleep
The living thinking me that was,
is now forever still
And life goes on without me now,
as time forever will.

If your heart is heavy now
because I've gone away
Dwell not long upon it friend
For none of us can stay
Those of you who liked me,
I sincerely thank you all
And those of you who loved me,
I thank you most of all.

And in my fleeting lifespan,
as time went rushing by
I found some time to hesitate,
to laugh, to love, to cry
Matters it now if time began
If time will ever cease?
I was here, I used it all,
and now I am at peace

QUIET REFLECTION

Music: Hold back the River by James Bay

Poem: Let Me Go (v1-4)

By Christina Rossetti

When I come to the end of the road
And the sun has set for me
I want no rites in a gloom filled room
Why cry for a soul set free?

Miss me a little, but not for long
And not with your head bowed low
Remember the love that once we shared
Miss me, but let me go.

For this is a journey we all must take
And each must go alone.
It's all part of the master plan
A step on the road to home.

When you are lonely and sick at heart
Go the friends we know.
Laugh at all the things we used to do
Miss me, but let me go.
