POEM

*Don't think of him as gone away his journey's just begun,
life holds so many facets
this earth is only one.*

*Just think of him as resting
from the sorrows and the tears
in a place of warmth and comfort where there are no days and
years.*

*Think how he must be wishing that we could know today how
nothing but our sadness
in the hearts of those he touched... for nothing loved is ever lost
and he was loved so much.*
