Words of welcome and poem: *Atoms*, read by Celebrant

*Our atoms and molecules come from this earth
Are ordered by ancestry
Are fired into life by union
Are sustained by the earth and powered by the sun
And return to the earth when life ends.*

Poem: *Immortality*, read by James

*Do not stand at my grave and weep;
I am not there. I do not sleep.
I am a thousand winds that blow.
I am the diamond glints on snow.
I am the sunlight on ripened grain.
I am the gentle autumn rain.
When you awaken in the morning's hush
I am the swift uplifting rush
Of quiet birds in circled flight.
I am the soft stars that shine at night.
Do not stand at my grave and cry;
I am not there.
I did not die.*
