## One More Step Along The World I Go

One more step along the world I go
One more step along the world I go
From the old things to the new
Keep me traveling along with you

And it's from the old I travel to the new Keep me traveling along with you

'Round the corners of the world I turn More and more about the world I learn And the new things that I see You'll be looking at along with me

And it's from the old I travel to the new Keep me traveling along with you

As I travel through the bad and good Keep me traveling the way I should Where I see no way to go You'll be telling me the way, I know

And it's from the old I travel to the new Keep me traveling along with you

Give me courage when the world is rough Keep me loving though the world is tough Leap and sing in all I do Keep me traveling along with you

And it's from the old I travel to the new Keep me traveling along with you

You are older than the world can be You are younger than the life in me Ever old and ever new Keep me traveling along with you

And it's from the old I travel to the new Keep me traveling along with you
