Remember me, though I have to say goodbye  
Remember me, don't let it make you cry  
For even if I'm far away, I hold you in my heart  
I sing a secret song to you each night we are apart  
Remember me, though I have to travel far  
Remember me, each time you hear a sad guitar  
Know that I'm with you the only way that I can be  
Until you're in my arms again
