One More Step Along The World I Go

One more step along the world I go
One more step along the world I go
From the old things to the new
Keep me traveling along with you

And it's from the old I travel to the new
Keep me traveling along with you

'Round the corners of the world I turn
More and more about the world I learn
And the new things that I see
You'll be looking at along with me

And it's from the old I travel to the new
Keep me traveling along with you

As I travel through the bad and good
Keep me traveling the way I should
Where I see no way to go
You'll be telling me the way, I know

And it's from the old I travel to the new
Keep me traveling along with you

Give me courage when the world is rough
Keep me loving though the world is tough
Leap and sing in all I do
Keep me traveling along with you

And it's from the old I travel to the new
Keep me traveling along with you

You are older than the world can be
You are younger than the life in me
Ever old and ever new
Keep me traveling along with you

And it's from the old I travel to the new
Keep me traveling along with you
