**Feel no guilt in laughter she would know how much you care.**

**Feel no sorrow in a smile that she is not here to share.**

**You cannot grieve forever she would not want you to.**

**She would hope that you could carry on the way you always do.**

**So, talk about the good times and the way you showed you cared.**

**The days you spent together all the happiness you shared.**

**Let the memories surround, you a word someone may say**

**Will suddenly recapture a time, an hour, a day.**

**That brings her back as clearly as though she were still here.**

**And fills you with the feeling that she is always near.**

**For if you keep those moments you will never be apart**

**And she will live forever locked safely within your heart.**
