A daughter, a sister, a mum, a friend, a partner.  
A bundle of energy, a ray of light.  
A writer, an artist, an actor, a listener.  
A dancer, a singer, a poet, a fighter.  
A lover of tea,  
“Mostly found in piles of cats, books or knitting”.

Thich Nhat Hanh

Interbeing

The sun has entered me.

The sun has entered me together with the cloud and the river.

I myself have entered the river,  
and I have entered the sun  
with the cloud and the river.

There has not been a moment  
when we do not interpenetrate.

But before the sun entered me,  
the sun was in me—  
also the cloud and the river.

Before I entered the river,  
I was already in it.

There has not been a moment  
when we have not inter-been.

Therefore you know  
that as long as you continue to breathe,  
I continue to be in you.

***The Window***  
Rumi

Your body is away from me  
but there is a window open from my heart to yours.  
From this window, like the moon  
I keep sending news secretly.
