HYMN

Be Still My Soul

Be still my soul the lord is at your side
Bear patiently the cross of grief and pain;
Leave to your God to order and provide
In every change He faithful will remain
Be still my soul your best, your heavenly friend
Through thorny ways leads to a joyful end

Be still my soul your God will undertake
To guide the future as He has the past
Your hope your confidence let nothing shake
All now mysterious shall be clear at last
Be still my soul the tempests still obey
his voice, who ruled them once on Galilee

Be still my soul the hour is hastening on
When we shall be for ever with the Lord
When disappointment grief and fear are gone
Sorrow forgotten loves pure joys restored
Be still my soul when change and tears are past
all safe and blessed we shall meet at last.

When I come to the end of the road and the sun has set for me,
I want no rites in a gloom filled room, why cry for a soul set free?
Miss me a little, but not to long and not with your head bowed low,
remember the love that we once shared, miss me but let me go.
For this is a journey that we all must take and each must go alone,
Its all a part of the Masters plan, a step on the road to home.
When you are lonely and sick at heart, go to a friend we know,
bury your sorrow in doing good deeds
Miss me but let me go
