READING by James

FOREVER IN MY HEART

**Feel no guilt in laughter she would know how much you care.
Feel no sorrow in a smile that she is not here to share.
You cannot grieve forever she would not want you to.
She would hope that you could carry on the way you always do.
So, talk about the good times and the way you showed you cared.
The days you spent together all the happiness you shared.
Let the memories surround, you a word someone may say
Will suddenly recapture a time, an hour, a day.
That brings her back as clearly as though she were still here.
And fills you with the feeling that she is always near.
For if you keep those moments you will never be apart
And she will live forever locked safely within your heart.**
