LEGAL DECLARATIONS

READING ONE

In my life, read by Sebastian Payne

There are places I'll remember
All my life, though some have changed.
Some forever, not for better;
Some have gone and some remain.

All these places had their moments
With lovers and friends I still can recall.
Some are dead and some are living,
In my life I've loved them all.

But of all these friends and lovers
There is no one compares with you.
And these mem'ries lose their meaning
When I think of love as something new.

Tho' I know I'll never lose affection
For people and things that went before,
I know I'll often stop and think about them,
In my life I love you more.

—John Lennon and Paul McCartney

READING TWO

I wanna be yours, read by Saam Idelji-Fitzgerald

I wanna be your vacuum cleaner
Breathing in your dust
I wanna be your Ford Cortina
I will never rust
If you like your coffee hot
Let me be your coffee pot
You call the shots
I wanna be yours

I wanna be your raincoat
For those frequent rainy days
I wanna be your dreamboat
When you want to sail away
Let me be your teddy bear
Take me with you anywhere
I don't care
I wanna be yours

I wanna be your electric meter
I will not run out
I wanna be the electric heater
You'll get cold without
I wanna be your setting lotion
Hold your hair in deep devotion
Deep as the deep Atlantic ocean
That's how deep is my devotion.

—John Cooper Clarke

READING THREE

A red, red rose, read by Martyn Landi

O my Luvie is like a red, red rose
That's newly sprung in June;
O my Luvie is like the melody
That's sweetly played in tune.

So fair art thou, my bonnie lass,
So deep in luvie am I;
And I will luvie thee still, my dear,
Till a' the seas gang dry.

Till a' the seas gang dry, my dear,
And the rocks melt wi' the sun;
I will love thee still, my dear,
While the sands o' life shall run.

And fare thee weel, my only luvie!
And fare thee weel awhile!
And I will come again, my luvie,
Though it were ten thousand mile.

—*Rabbie Burns*

READING FOUR

“Oh diary, I love her, I love her, I love her so much. Jordana is the most amazing person I have ever met. I could eat her. I could drink her blood. She's the only person I would allow to be shrunk to microscopic size and explore me in a tiny submersible machine. She is wonderful and beautiful and sensitive and funny and sexy. She's too good for me, she's too good for anyone! All I could do was let her know. I said: "I love you more than words. And I am a big fan of words.”

—*Joe Dunthorne, Submarine*
