READING ONE

In my life, read by Sebastian Payne

There are places I'll remember
All my life, though some have changed.
Some forever, not for better;
Some have gone and some remain.

All these places had their moments
With lovers and friends I still can recall.
Some are dead and some are living,
In my life I've loved them all.

But of all these friends and lovers
There is no one compares with you.
And these mem'ries lose their meaning
When I think of love as something new.

Tho' I know I'll never lose affection
For people and things that went before,
I know I'll often stop and think about them,
In my life I love you more.
