READING ONE

**In my life, read by Sebastian Payne**

There are places I'll remember  
All my life, though some have changed.  
Some forever, not for better;  
Some have gone and some remain.

All these places had their moments  
With lovers and friends I still can recall.  
Some are dead and some are living,  
In my life I've loved them all.

But of all these friends and lovers  
There is no one compares with you.  
And these mem'ries lose their meaning  
When I think of love as something new.

Tho' I know I'll never lose affection  
For people and things that went before,  
I know I'll often stop and think about them,  
In my life I love you more.
