SONG - Wonderful World, by Sam Cooke

Don't know much about history
Don't know much biology
Don't know much about a science book
Don't know much about the French I took

But I do know that I love you
And I know that if you love me, too
What a wonderful world this would be

Don't know much about geography
Don't know much trigonometry
Don't know much about algebra
Don't know what a slide rule is for

But I do know one and one is two
And if this one could be with you
What a wonderful world this would be

Now, I don't claim to be an A student
But I'm trying to be
For maybe by being an A student, baby
I can win your love for me

Don't know much about history
Don't know much biology
Don't know much about a science book
Don't know much about the French I took

But I do know that I love you
And I know that if you love me, too
What a wonderful world this would be

SONG - I'm Gonna Be (500 Miles), The Proclaimers

When I wake up, well I know I'm gonna be,
I'm gonna be the one who wakes up next to you
When I go out, yeah I know I'm gonna be
I'm gonna be the one who goes along with you
When I get drunk, well I know I'm gonna be
I'm gonna be the one who gets drunk next to you
And when I haver, hey I know I'm gonna be
I'm gonna be the one who's havering to you

Chorus:

And I would walk 500 miles
And I would walk 500 more
Just to be the one who rolls a thousand miles
To fall down at your door

When I'm working, yes I know I'm gonna be
I'm gonna be the one who's working hard for you
And when the money, comes in for the work I do
I'll pass almost every penny on to you
When I come home well I know I'm gonna be
I'm gonna be the one who comes back home to you
And when I grow old, well I know I'm gonna be
I'm gonna be the one who's growing old with you

Chorus

Da da da..(you know this bit)

Chorus
